Glenn T. Miner
Director Construction
PPG Flat Glass

July 25, 2016

To: All Factory Buyer Customers

Subject: Caribia® glass inventory disposal

Caribia glass was discontinued from the PPG Flat Glass product offering in January 2012. At that time a final run was made to produce inventory to meet demand through the end of 2012 as well as provide replacement service for an additional 5 years.

The five year replacement period is drawing to a close and the remaining Caribia and Vistacool® Caribia glass inventory will be discarded in the 4th quarter of 2016 as part of PPG's inventory management process. This notification is to enable you to evaluate your projected future demand for replacement or attic stock needs, and place an order prior to the glass being discarded, subject to available quantity.

Please contact your PPG representative for specific pricing, delivery and available size details. Standard terms and conditions apply.

Thank you for your support.

Sincerely,

A handwritten signature in black ink that reads 'Glenn T. Miner' with a small 'es' at the end.

Glenn T. Miner
